Benefizio 1997

Pomino Bianco Riserva DOC

Benefizio Riserva is the embodiment of the history of Chardonnay in Tuscany, since this grape was introduced on this Tenuta in 1855. In 1878, Pomino was awarded the Gold Medal at the Paris Exposition for the high quality of its wines, in 1973, a vineyard at 700 metres' elevation produced Benefizio, the first white wine in Italy be barrel-fermented, and in 2005 that wine became Benefizio Riserva.

Climatic trend

Here the vines were not affected by this year's spring freeze. The early budding offers fine quality for the Chardonnay, Pinot Blanc and Pinot Gris varieties, all harvested with optimum maturation, thus a very good year is predicted for both the Pomino Bianco and the Pomino Benefizio wines.
