## Benefizio 2005

Pomino Bianco Riserva DOC

Benefizio Riserva is the embodiment of the history of Chardonnay in Tuscany, since this grape was introduced on this Tenuta in 1855. In 1878, Pomino was awarded the Gold Medal at the Paris Exposition for the high quality of its wines, in 1973, a vineyard at 700 metres' elevation produced Benefizio, the first white wine in Italy be barrel-fermented, and in 2005 that wine became Benefizio Riserva.

## Climatic trend

After a fluctuating growing season that required attentive vineyard supervision, particularly in certain areas, this year's was a fine harvest indeed. The superb quality of the grapes on Frescobaldi's various estates was a reward for careful the work and good management decisions throughout the season. In vineyards characterised by deep, well-drained soils, special attention was given to the vines with a generous leaf pulling process and as a result, the grapes are in very good condition.
