Benefizio 2011

Pomino Bianco Riserva DOC

Benefizio Riserva is the embodiment of the history of Chardonnay in Tuscany, since this grape was introduced on this Tenuta in 1855. In 1878, Pomino was awarded the Gold Medal at the Paris Exposition for the high quality of its wines, in 1973, a vineyard at 700 metres' elevation produced Benefizio, the first white wine in Italy be barrel-fermented, and in 2005 that wine became Benefizio Riserva.

Climatic trend

During the month of August two verified climatic events of extraordinary importance took place which shaped the characteristics of the grapes by force of the natural elements. The first half of August was characterized by sunny days, with daytime temperatures never above 30°C, and very cold nights. Fantastic conditions for the formation of aromas, and for maintaining the optimal freshness of flavours with grapes like Chardonnay. The final result is that we have obtained white grapes in perfect health, mature, rich in the precursors of aroma and with a good acidity. The harvest began the 16th of August and was completed the 5th of October.
