Benefizio 2012

Pomino Bianco Riserva DOC

Benefizio Riserva is the embodiment of the history of Chardonnay in Tuscany, since this grape was introduced on this Tenuta in 1855. In 1878, Pomino was awarded the Gold Medal at the Paris Exposition for the high quality of its wines, in 1973, a vineyard at 700 metres' elevation produced Benefizio, the first white wine in Italy be barrel-fermented, and in 2005 that wine became Benefizio Riserva.

Climatic trend

The growing season was characterized by elevated temperatures during the summer months and low precipitation. The particularly dry season favoured an even and consistent development of the grapes. The harvest of the grapes at Pomino was extraordinarily exciting and varied. Absolute protagonist this year is the Chardonnay, which without precedent was gathered during an extremely prolonged stormy period of weather that gave us a thousand and one inflections.

Tasting notes

Pomino Benefizio Riserva 2012, appearing a luminous, gold-flecked straw-yellow, releases a rich bouquet of well-ripened fruit even before the glass is swirled, followed moments later by impressions of spice. In the mouth it is immediately velvet-textured and seductive, with full body and a very lengthy progression. Displaying a crisp acidity and delicious minerality, this aristocratic Chardonnay, with some ageing, will offer even richer fragrances and complexity.

Wine pairing: Vegetable soups, baked sea bream, baked salmon fillet, caviar.
