Cala Forte Morellino 2021

Morellino di Scansano DOCG

Morellino Cala Forte is made from Sangiovese grapes with small amounts of Cabernet Sauvignon, set apart by its intense ruby-red colour and its aromas of ripe fruit, particularly plum and cherry.

Climatic trend

Despite some sharp drops in temperature in early April, 2021 was generally mild. The rainy winter period built up the necessary water reserves for excellent vegetative/productive development. Between the end of spring and the end of summer, the temperature rose, which, combined with a lack of rainfall and the healthy Mediterranean winds, ensured perfectly ripened grapes with a splendid aromatic concentration.

The splendid bouquet is finished with spicy notes of black pepper and clove. On the palate, it is dry, warm and slightly tannic.
