Cala Forte Rosé 2021

Toscana IGT

Cala Forte Rosé captures the fresh vibrancy of the Mediterranean. Its delicate pink tinges, maritime aromas, gentle persistence and versatility come together and make it the perfect accompaniment for aperitivo snacks or tasty fish dishes.

Climatic trend

Overall, 2021 was mild despite some sharp drops in temperature in early April. Thanks to the rainy winter period, the water reserves needed for perfect vine growth were stored. From the end of spring and throughout the summer, temperatures rose again, which, together with the lack of rainfall and healthy Mediterranean winds, ensured that the grapes ripened perfectly with a wonderful concentration of flavours and aromas.

Technical notes

Wine Variety: Sangiovese and Syrah
Alcohol content: 12%
Maturation: 4 months in steel

Tasting notes

The pink colour is delicate yet radiant. The nose reveals notes of red fruit, including raspberry and red currant, as well as floral notes and hints of Mediterranean herbs. It is fresh, flavourful and easy to drink.

Wine pairing: It works perfectly with raw fish, shellfish and other sea food, as well as fish starters and mains. It also works with crudités and is a nice accompaniment for pecorino cheese.
