Cala Forte Rosé 2024

Toscana IGT

Cala Forte Rosé embodies the lively and fresh Mediterranean spirit. Its subtle pinkish hues, accompanied by a maritime bouquet, as well as its delicate persistence and versatility, make it the ideal choice for delicious apéritifs or tasty fish dishes.

Climatic trend

2024 was quite mixed. The winter period was characterised by mild temperatures and below-average precipitation. Spring, on the other hand, brought rain showers, which were unevenly distributed but capable of providing good water reserves to face the hot summer. Starting in July, the intense heat and lack of rain accelerated the growth of the bunches. Ripening took place slowly and gradually, and the rain resumed between the end of August and the beginning of September.

Technical notes

Tasting notes

Cala Forte Rosé 2024 is a delicate shade of pink. On the nose, it releases notes of small red berries, flowers and typical Mediterranean herbs. On the palate, it is characterised by a delicate structure and a rather marked flavour. Fresh and drinkable, it perfectly exemplifies its production area.

Wine pairing: It pairs perfectly with raw fish, shellfish and seafood, as well as fish starters and main courses. It also complements vegetable crudités and goes well with fresh, soft cheeses.
