Cala Forte Rosso 2020

Maremma Toscana DOC

An authentic reflection of the Maremma region, this wine was born under the hot summer sun in Tuscany. Rich in intense aromas, this harmonious and persistent wine is an absolute delight to drink and is the perfect accompaniment for savoury dishes, game and red meats.

Climatic trend

The 2020 growing season saw abundant rainfall in autumn, a mild winter and above-average temperatures in spring. This resulted in wonderfully stable growth. The warm, dry weather in summer was offset by sea breezes from the nearby Tyrrhenian coast, which enabled the grapes to ripen well.

Technical notes

Wine Variety: Sangiovese and Merlot
Alcohol content: 13%
Maturation: 5 months in steel and 2 months in the bottle

Tasting notes

Cala Forte Maremma 2020 has a ruby-red colour with tinges of purple. The nose presents fruity and floral notes accompanied by wonderful spiced hints. Among the fruity aromas, red berries, blackberry, plum and blueberry all stand out. Its freshness when sipped is simply delightful. The pleasant flavour is another typical quality of this wine.

Wine pairing: A versatile wine that works best with red meats and roasts.
