Cala Forte 2018

Toscana Vermentino IGT

Cala Forte is a lively, easy-going Vermentino with a strong Mediterranean character. With its golden hues, striking aroma and fresh intensity, it is a perfect pre-dinner drink or companion to rich fish and white meat dishes.

Climatic trend

The 2018 growing season was marked by abundant precipitation, including some snow during the winter. The spring season saw heavy rainfall, causing a slight delay in the initial sprouting stages. Spring then gave way to a magnificent summer season, with very hot temperatures that led to perfectly ripened grapes with an equally wonderful aromatic development. The sun and refreshing sea breezes were the perfect companions during the harvest period, leading to the plants' compositional balance, typical of this micro-climate.

Technical notes

Wine Variety: Vermentino
Alcohol content: 12%
Maceration Time: partial cryomaceration
Maturation: Stainless steel - 4 months in steel, 1 month in bottle

Tasting notes

Cala Forte 2018 stands out for its straw yellow colour. Its bouquet is simultaneously fresh, floral and fruity. The aroma of white flowers combines perfectly with bright citrus notes. On the palate, its minerality and freshness provide it with exquisite balance.

Wine pairing: The wine is a perfect accompaniment to seafood dishes, vegetable-based main courses and white meats.
