Cala Forte 2024

Toscana Vermentino IGT

Cala Forte is a Vermentino with an informal and lively character that perfectly interprets the essence of the Mediterranean: golden reflections, strong aromas, freshness and intensity. Perfect for apéritifs and paired with tasty fish and white meat dishes.

Climatic trend

2024 was quite mixed. The winter period was characterised by mild temperatures and below-average precipitation. Spring, on the other hand, brought rain showers, which were unevenly distributed but capable of providing good water reserves to face the hot summer. Starting in July, the intense heat and lack of rain accelerated the growth of the bunches. Ripening took place slowly and gradually, and the rain resumed between the end of August and the beginning of September.

Tasting notes

CalaForte Vermentino 2024 is a beautiful shade of straw yellow. On the nose, it releases lovely notes of fresh flowers, aromas of citrus and yellow-fleshed fruit, concluding with hints of Mediterranean aromatic herbs. The fruity notes return in the mouth; it is savoury and lively, with good minerality and freshness to ensure balance, as well as a delightful persistence in terms of taste and aroma.

Wine pairing: It is a perfect match for fish dishes, shellfish, timballo and first courses made with vegetables.
