Cala Forte 2025

Toscana Vermentino IGT

Cala Forte is a Vermentino with an informal and lively character that perfectly interprets the essence of the Mediterranean: golden reflections, strong aromas, freshness and intensity. Perfect for apéritifs and paired with tasty fish and white meat dishes.

Climatic trend

The weather in the area was characterised by a mild and rainy winter. Spring was quite warm, with cooler weather in May to balance out the average. The summer, on the other hand, proved hot but less extreme than in previous years, although June saw rather high temperatures. By harvest time, the grapes were healthy and perfectly concentrated.

Technical notes

Wine Variety: Vermentino
Alcohol content: 12%
Maturation: in steel

Tasting notes

Cala Forte Vermentino 2025 is a beautiful and vibrant shade of straw yellow. It is fresh on the nose, releasing delightful notes of white flowers, citrus and yellow-fleshed fruit. On the palate, it is intensely fruity, fresh, savoury, mineral and lively. It is beautifully balanced, with a lovely harmony between taste and aroma.

Wine pairing: It is a perfect match for fish dishes, shellfish, timballo and first courses made with vegetables.
