

Tenuta CastelGiocondo Campo ai Sassi 1997

Campo ai Sassi 1997

Rosso di Montalcino DOC

Campo ai Sassi Rosso di Montalcino displays the same characteristics as Brunello, but in a more youthful, less complicated manner. It is produced from the same grape, Sangiovese, but from vineyards with vines that have very deep roots and yield wines which are aromatic and elegant, and less tannic than the Brunello.

Climatic trend

At the estate of Castelgiocondo the freeze struck in a hit and miss style in the lower zones. The higher zones noted for the rocky porous soils where the grapes destined to become great wines are grown, did not suffer the effects of the freeze.
