Rosso di Montalcino DOC

Produced in one of the most iconic Tuscan wine-producing areas from Sangiovese grapes that achieve their fullest potential in this terroir Campone Rosso is the perfect combination of complexity and vivacity.

## Climatic trend

The winter was characterised by rather mild temperatures and little rainfall. The cool spring, on the other hand, saw abundant rainfall, promoting rapid and luxuriant vegetative growth. The summer was marked by some rain alternating with beautiful sunny days. These conditions favoured the growth of the grapes while keeping the vines in a good vegetative balance. During ripening, significant temperature fluctuations between day and night promoted gradual maturation, leaving the grapes in perfect condition at harvest.

## Technical notes

Wine Variety: Sangiovese
Alcohol content: 13%

## Tasting notes

Campone rosso 2024 is a beautiful and very intense ruby-red colour. On the nose, it evokes hints of ripe fruit reminiscent of plum, cherry and raspberry with a delicate floral and spicy sensation on the finish. On the palate it has soft, velvety tannins and a harmonious acid-alcohol balance.

Wine pairing: Savoury cured meats such as ham or salami; Tuscan soups such as ribollita or pasta and beans, and creamed chickpeas. Main course suggestion: grilled pork.
