CastelGiocondo 2011

Brunello di Montalcino DOCG

CastelGiocondo is produced from an uncompromising selection of the finest Sangiovese grapes, in vineyards whose ideal elevation, well-drained soils, and southwest-facing exposure yield all of the qualities that converge to produce the finest expression of this ancient grape variety. It is an elegant, well-balanced wine of magnificent structure.

Climatic trend

The 2011 season started according to norm, with abundant rains and mild temperatures in the spring and warm temperatures in the first part of the summer, which ensured that the grapes arrived at veraison in optimum condition. Temperatures rose in the latter part of August, which gave Sangiovese remarkable ripeness: at harvest, the grapes were impressively concentrated, intensely coloured, and sound and healthy.
