Giramonte 2001

Toscana IGT

The Tenuta di Castiglioni, the Frescobaldi family's oldest estate, brought forth, in 1999, Giramonte, a rare and exclusive Cru. The qualities of its soil, an ideal microclimate, and rigorous selection of the fruit ensure, year after year, extraordinary consistency of quality. The result is a wine of great richness and intensity, silk-smooth, and with an almost endless progression and finish.

Climatic trend

The harvest at the Giramonte vineyard was initiated on September 24th with the Merlot vineyards, and was brought to a conclusion on October 2nd. The Sangiovese was picked on October 2nd. In this case, too, the losses caused by the frost amounted to around 30%, with the Sangiovese suffering the most adverse impact. This natural "thinning out" process served to enhance the value of both the Merlot and Sangiovese grapes, while also more clearly emphasizing the intense fragrances and aromas of the variety.
