GIRAMONTE

*appassionato agronomo, vissuto nel
quattordicesimo secolo, abbiamo dedicato questo
villaggio vino. È prodotto da uve Merlot e
Sangiovese vinificate con sapienza e cura attenta,
coltivate su suoli franco argillosi, assai calcarei con
4.500 piante per ettaro. Le uve sono vinificate e
macerate in piccoli tini da 50 attoltri per circa 20
giorni. Successivamente il vino si affina per 15 mesi
in legno nuovo. Giramonte riposa per alcuni mesi
in bottiglia.*

Giramonte 2003

Toscana IGT

The Tenuta di Castiglioni, the Frescobaldi family's oldest estate, brought forth, in 1999, Giramonte, a rare and exclusive Cru. The qualities of its soil, an ideal microclimate, and rigorous selection of the fruit ensure, year after year, extraordinary consistency of quality. The result is a wine of great richness and intensity, silk-smooth, and with an almost endless progression and finish.

Climatic trend

At the Giramonte vineyard, the season was very good for all of the main varieties. After the racking off, the Sangiovese appears soft and intense in color, with fresh and fruity fragrances. The late Merlot has an excellent structure, and a very elevated level of alcohol- over 15°.

Tasting notes

A very striking, brilliant purple. The aromas are immediately compelling, complex and richly faceted. Raspberry and other wild berry fruit emerge first, along with dark cherry, complemented by a delicate spiciness suggesting vanilla and cinnamon. Toasty oak nuances round out its appeal. A beautifully seductive, velvet smoothness cloaks the palate, which offers as well richly concentrated flavours and a notably lengthy development. Attractive notes of menthol linger on the finish.

Wine pairing: Ideal with all roasts, grills, and barbecues, and with sautéed fillets of beef, but try it with delicate cheeses as well.
