

## Giramonte 2008

2008

*Nella Tenuta di Castiglioni  
c'è un colle che, da sempre, ha visto la presenza  
di numerosi vigneti, a testimonianza della passione  
e dell'impegno viticolo di molte generazioni  
della famiglia Frescobaldi.  
Questi vigneti abbracciarono detto colle,  
che fin dal 1287 fu chiamato:*

**GIRAMONTE**

*Le uvi, ripianate nel 1993 con tecniche  
avanzate, a 5.500 coppi per ettaro, crescono  
ad un'altitudine di 250 metri, su suolo franco  
argilloso, limoso, caci calcareo e povero  
di sostanza organica. Le uve Merlot e  
Sangiovese sono vinificate e macerate  
in piccoli tini da 50 ettolitri per circa 20 giorni.  
Dopo circa 14 mesi in barriques nuove,  
Giramonte riposa per alcuni mesi  
in bottiglia.*

*Marchesi di Frescobaldi*

Formati

0,75 l, 1,5 l, 3 l, 6 l, 18 l

## Giramonte 2008

Toscana IGT

The Tenuta di Castiglioni, the Frescobaldi family's oldest estate, brought forth, in 1999, Giramonte, a rare and exclusive Cru. The qualities of its soil, an ideal microclimate, and rigorous selection of the fruit ensure, year after year, extraordinary consistency of quality. The result is a wine of great richness and intensity, silk-smooth, and with an almost endless progression and finish.

## Climatic trend

The 2008 spring will be remembered as the rainiest of the last few decades, with temperatures dipping well below average. Rain and wind in June, right during the bloom period, led to less than optimal fruit set; the clusters showed smaller-sized grapes. In July and August, however, generous sunlight and warm temperatures partially remedied the slow development. The summer months, including September, were sunny and hot, and sufficient reserves of water in the soil helped ensure ideal ripeness levels across all grape varieties.

## Technical notes

**Origin:** Tenuta di Castiglioni, Comune di Montespertoli

**Altimetry:** 250 m (820 feet)

**Surface:** 6,5 Ha (16 Acres)

**Exposure:** Southwest

**Soil typology:** 1) Clayey terrain rich in calcium and mineral elements, PH alkaline. 2) Sandy terrain – with evident river pebbles. Well drained. PH neutral.

**Plant density:** 5,500 vines/ha

**Breeding:** Spur pruned cordon

**Vineyard age:** It was planted in 1993

**Wine Variety:** 88% Merlot, 12% Sangiovese

**Alcohol content:** 14,50%

**Maceration Time:** Merlot 18 days, Sangiovese 16 days

**Malolactic Fermentation:** In barriques, immediately after the alcoholic fermentation

**Ageing containers:** Barriques

**Ageing time:** 16 months in new barriques and 6 in bottles

# Tasting notes

Giramonte appears a deep, rich purple-red, notable for its vibrancy and luminosity. In its complex aromatic array impressions of ripe fruit predominate, with raspberry and sour cherry first to emerge, followed by blackberry and dried plum. In the background are delicious toasty notes of cocoa powder, vanilla, and roast espresso bean. The palate impresses with its seductive mouthfeel, velvety texture, and spacious warmth. The tannins, fine-grained, elegant, and already well integrated into the structure, contribute to these impressions, as does a lively, crisp acidity. Its lengthy, well-balanced finish is nicely laced with aromatic fruit. Overall, Giramonte 2008 is a smooth wine that exhibits a fine balance of all of its components.

**Wine pairing:** Ideal with all roasts, grills, and barbecues, and with sautéed fillets of beef, but try it with delicate cheeses as well.
