TOSCANA

## Giramonte 2009

*Nella Tenuta di Castiglioni  
vi è un colle che, da sempre, ha visto la presenza  
di numerosi vigneti, a testimonianza della passione  
e dell'impegno viticolo di molte generazioni  
della famiglia Frescobaldi.  
Questi vigneti abbracciarono detto colle,  
che fin dal 1287 fu chiamato:*

**GIRAMONTE**

*Le viti, ripianate nel 1993 con tecniche  
avanzate, a 5.500 ceppi per ettaro, crescono  
ad un'altitudine di 250 metri, su suolo franco  
argilloso, limoso, calcareo e povero  
di sostanze organiche. Le uve Merlot e  
Sangiovese sono vinificate e macerate  
in piccole tini da 50 ettolitri per circa 20 giorni.  
Dopo circa 14 mesi in bottiglie nuove,  
Giramonte riposa per alcuni mesi  
in bottiglia.*

*Marchesi di Frescobaldi*

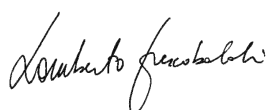

Formati

0,75 l, 1,5 l, 3 l, 6 l, 18 l

## Giramonte 2009

Toscana IGT

The Tenuta di Castiglioni, the Frescobaldi family's oldest estate, brought forth, in 1999, Giramonte, a rare and exclusive Cru. The qualities of its soil, an ideal microclimate, and rigorous selection of the fruit ensure, year after year, extraordinary consistency of quality. The result is a wine of great richness and intensity, silk-smooth, and with an almost endless progression and finish.

## Climatic trend

The balance sheet is strikingly positive, particularly regarding the outstanding quality level of the fruit harvested. Spring 2009, as was the case in previous years, brought endless rainstorms, which severely tested the vineyard staff as they labored to balance vine growth and control pests, but the rain at the same time built up groundwater reserves. June and July, however, brought light levels of rain, which reversed the slowdown in vine growth and brought forward the ripening stage. The vines were thus able to perform at their best, and the grapes ripened slightly early compared to the previous years. September's cool nights and warm, sunny days ensured that this demanding grape variety ripened perfectly and yielded wines of remarkable quality. Favourable growing conditions made it possible to bring into the cellars optimally-ripened grapes with good acid levels and complex aromatics.

## Technical notes

**Origin:** Tenuta di Castiglioni, Comune di Montespertoli

**Altimetry:** 250 m (820 feet)

**Surface:** 6,5 Ha (16 Acres)

**Exposure:** Southwest

**Soil typology:** 1)Clayey terrain rich in calcium and mineral elements, PH alkaline. 2)Sandy terrain – with evident river pebbles. Well drained. PH neutral.

**Plant density:** 5,500 vines/ha

**Breeding:** Spur pruned cordon

**Vineyard age:** It was planted in 1993

**Wine Variety:** 88% Merlot, 12% Sangiovese

**Alcohol content:** 14,50%

**Maceration Time:** Merlot 25 days, Sangiovese 21 days

**Malolactic Fermentation:** In barriques, immediately after the alcoholic fermentation

**Ageing containers:** Barriques

**Ageing time:** 16 months in new barriques and 6 in bottles

# Tasting notes

Giramonte 2009 is a lovely red with purple highlights, intense and impenetrable. The nose is fruity with blueberry, cherry and spicy notes of anise and black pepper. Hints of forest undergrowth: mushrooms and truffle accompanied by cocoa beans and coconut. Pronounced notes of coffee and fresh notes of sweet mint. The palate is very warm. Smooth, intense, with lovely and elegant tannins blended into the body. Powerful and persistent, the retro-olfaction is characterized by nuances of ripe fruit. Notable correspondence between the palate and olfactory notes; exuberant with a clean and bold finish.

**Wine pairing:** Ideal with all roasts, grills, and barbecues, and with sautéed fillets of beef, but try it with delicate cheeses as well.
