Lamaione 1995

Toscana IGT

A powerful expression of Merlot from the heavy clay and arid vineyard, Lamaione. Produced since 1991 on the estate of Castelgiocondo in Montalcino.

Climatic trend

The blossoming of the vines in 1995 was atypical. Low spring temperatures delayed development of the buds and flowers. Summer was not as hot as usual in Tuscany, but rainy and humid. Not until September did the quality of the vintage become evident. Sun and warm temperatures assured a gradual and progressive maturation so intense that we believe 1995 could be considered the "vintage of the century".
