Lamaione 1996

Toscana IGT

A powerful expression of Merlot from the heavy clay and arid vineyard, Lamaione. Produced since 1991 on the estate of Castelgiocondo in Montalcino.

Climatic trend

The Spring and Summer season of 1996 were particularly favorable for the vegetative development of the vines in Tuscany. Flowering, budding and fruit set all occurred 15 days earlier than usual. When rains during the beginning of October threatened to compromise the promising vintage, we took the necessary precautions to assure the health of grapes: defoliation, pruning of excess grapes and a regular control of potential diseases.
