

Lamaione 1997

Lamaione 1997

Toscana IGT

A powerful expression of Merlot from the heavy clay and arid vineyard, Lamaione. Produced since 1991 on the estate of Castelgiocondo in Montalcino.

Climatic trend

At the estate of Castelgiocondo the freeze struck in a hit and miss style in the lower zones. The higher zones noted for the rocky porous soils where the grapes destined to become great wines are grown, have not suffered the effects of the freeze. The Merlot grapes, thanks to their naturally late development, were able to avoid the negative effects of the freeze and a maximum high level of Lamaione is predicted.
