# Lamaione 2000

Toscana IGT

A powerful expression of Merlot from the heavy clay and arid vineyard, Lamaione. Produced since 1991 on the estate of Castelgiocondo in Montalcino.

## Climatic trend

The grapes, of excellent quality, ripened slightly earlier (7/10 days sooner than usual). Harvested in excellent conditions, the grapes are rich in sugars and tannins, thanks to the rain at the beginning of the spring season followed by a period of sunshine, and a mild summer with scattered rains which prevented drought and further strain on the plants. The heat during the second half of the month of August favored the sugar concentration. The season was rather difficult; heavy spring rains induced fungal diseases that Marchesi de' Frescobaldi was mostly able to prevent, thanks to its pest control management system. The Merlot ripened early this year, and the grapes harvested had wonderful fruit flavors.
