## Chianti DOCG

I Leccioni Chianti DOCG is a rounded, velvet-smooth wine. It is immediately recognisable for its aromas of sweet violets and red berry fruit, medium body and fine balance, judicious acidity, and measured tannins.

## Climatic trend

The harvest looked very encouraging, since the growing season had been so favourable. The spring months brought temperate conditions, with little rain and no heat stress; this in turn contributed substantially to sound, healthy fruit. At the end of May there was a sudden drop in temperatures; although it did no damage, the vine growth process was slowed and fruit set affected negatively. The result was looser clusters, with fewer grapes, but the clusters were healthier. July brought high temperatures, but August turned cool, with moderate rainfall, temperature phenomena that ensure excellent concentrations of aromatic compounds, both intense and complex. Light rains during the summer provided the vines with enough moisture to undergo veraison (change of colour) without problem. Sunny, crisp, dry days in September and October were crucial in developing in the grapes all of the qualities necessary for the production of wines of unsurpassed quality and fine structure.

## Tasting notes

Vivace il colore, di un rubino intenso, dotato di sufficiente limpidezza. Semplici e ben riconoscibili i profumi che vedono protagonisti la ciliegia e la viola, di grande intensità, seguite da una piccola nota speziata, di pepe. Il corpo in bocca si mostra snello, con tannini appena accennati ed una freschezza godibile. Finale pulito e netto.
