Leccioni 2024

Chianti DOCG

Leccioni Chianti DOCG is a smooth, full-bodied wine. It features typical hints of violets and red berries, and is balanced and medium-bodied on the palate, with well-balanced tannins and the right amount of acidity.

Climatic trend

2024 was quite mixed. The winter period was characterised by mild temperatures and below-average precipitation. Spring, on the other hand, brought rain showers, which were unevenly distributed but capable of providing good water reserves to face the hot summer. Starting in July, the intense heat and lack of rain accelerated the growth of the bunches. Ripening took place slowly and gradually, and the rain resumed between the end of August and the beginning of September.

Technical notes

Wine Variety: mainly Sangiovese
Alcohol content: 12.5%
Maturation: 5 months in stainless steel

Tasting notes

Leccioni 2024 is ruby red with hints of purple. On the nose, it opens to reveal hints of fruit reminiscent of pomegranate and red and black berries. The floral notes reflect the typical layers of violet and rose found in Sangiovese. It also boasts a very delicate spiciness. In the mouth, it is soft and rich, and the distinctive fruity and floral aromas leave a delightful aftertaste. Balanced tannic structure. Excellent persistence.
