Montesodi 2005

Chianti Rufina Riserva DOCG

A cru selection with its initial vintage in 1974, Montesodi is made only in exceptional growing years. It is produced from Sangiovese grown in the Montesodi vineyard, which, at 400 metres' elevation, has always been regarded as the finest on the Tenuta for growing Sangiovese. It yields a rich, intense wine of remarkable aromas.

Climatic trend

After a fluctuating growing season that required attentive vineyard supervision, particularly in certain areas, this year's was a fine harvest indeed. The superb quality of the grapes on Frescobaldi's various estates was a reward for careful the work and good management decisions throughout the season. In vineyards characterised by deep, well-drained soils, special attention was given to the vines with a generous leaf pulling process and as a result, the grapes are in very good condition. Montesodi is sturdily structured, elegant, fruity, and with good spiciness.
