# Montesodi 2006

Chianti Rufina Riserva DOCG

A cru selection with its initial vintage in 1974, Montesodi is made only in exceptional growing years. It is produced from Sangiovese grown in the Montesodi vineyard, which, at 400 metres' elevation, has always been regarded as the finest on the Tenuta for growing Sangiovese. It yields a rich, intense wine of remarkable aromas.

## Climatic trend

The 2006 harvest was completed on October 11. The overall evaluation is very positive, particularly regarding exceptional levels of fruit quality. Castello di Nipozzano, the standard-bearer of Chianti Rufina DOCG winemaking, experienced even and balanced growing conditions, with normal amounts of rain during July and August. The year yielded wines of considerable elegance and outstanding ageing potential. Light rains during the summer provided the vines with enough moisture to undergo veraison (change of colour) without problem. Sunny, crisp, dry days in September and October were crucial in developing in the grapes all of the qualities necessary for the production of wines of unsurpassed quality and fine structure.

# Tasting notes

A deep ruby precedes a nose rich in well-ripened fruit, with blueberry, redcurrant, and cherry well in evidence, enhanced by floral notes of sweet violets and smooth vanilla, tobacco leaf, and cocoa. In the mouth it is intense, velvety, and well balanced. The palate shows striking complexity, with broad, emphatic tannins. A long-lingering finish beautifully binds everything together.

**Wine pairing:** Roast or grilled lamb, game birds (pheasant), pan-fried beef.
