Montesodi 2009

Chianti Rufina Riserva DOCG

A cru selection with its initial vintage in 1974, Montesodi is made only in exceptional growing years. It is produced from Sangiovese grown in the Montesodi vineyard, which, at 400 metres' elevation, has always been regarded as the finest on the Tenuta for growing Sangiovese. It yields a rich, intense wine of remarkable aromas.

Climatic trend

The 2009 harvest concluded definitively on October 9 with the arrival in the cellars of fruit from its Sangiovese grapes from the Montesodi vineyard. The final results are quite positive with respect to overall fruit quality. Spring followed the pattern set in recent years, with heavy rains that presented a challenge to the vineyard crews tending the vines and protecting them against fungal attacks, but at least the rains built up groundwater reserves. The even, well-paced weather conditions mean 2009 wines of significant elegance and guaranteed cellarability. In contrast to the spring rains, summer brought mild, sunny weather, right into autumn. Light rains arrived in mid-September, but did nothing to harm the sound health of the grapes nor the excellent levels of ripeness. This vintage should be one of the very finest for Montesodi Chianti Rufina Riserva (100% Sangiovese), the first cru wine to come from Chianti Rufina and always an eloquent expression of its terroir.

Tasting notes

Montesodi 2009 is an intense and brilliant ruby-red. The nose is fruity with blackberry and blueberry. Floral notes of violet and spicy notes of rhubarb and black pepper are accompanied by hints of leather and Cuban cigar. Fresh, mentholated with fresh notes of Eucalyptus. The palate has a good acidity and a tight tannin texture typical of its DNA. The lengthy finale is dominated by mineral notes of graphite and clear sensations of liquorice which underline its bold character.

Wine pairing: Roast or grilled lamb, game birds (pheasant), pan-fried beef.
