Mormoreto 1999

Toscana IGT

This is the great wine of the Castello, from the vineyard Mormoreto planted in 1976. The first vintage was from the 1983 harvest, and since then has been produced only in the most favourable years. It was not produced from the harvests of 1984, 1987, 1989, 1992, 1998 or 2002. Cabernet Sauvignon, Merlot, Cabernet Franc, and Petit Verdot, planted 150 years ago, have, over time, formed an intimate bond with this terroir and now bring out all of its unique qualities. It is a wine of great depth, opulent and refined, that you can cellar for many years.

Climatic trend

The 1999 growing season yielded wines showing intense fruitiness, thanks to cold nights and mild days. Vine growth during spring was regular throughout Tuscany, and a sunny July brought forward the ripening process. Scattered rains in August built up groundwater reserves, which ensured vine nutrition and leaf growth, and favoured continued ripening of the berries. Sunny conditions in September and October enabled the grapes to ripen perfectly and to finish the season in sound health.
