Grappa of Chianti Rufina produced from Nipozzano Castle.

Technical notes

Origin: Nipozzano Castle
Alcohol content: 42%

Tasting notes

Nipozzano Grappa is clear and transparent. Elegant and intensely aromatic, it distinguishes itself for an excellent balance of softness and warmth that leaves a long and pleasant aroma in the mouth.

Wine pairing: Ideal as a digestif, it is a great accompaniment to Panforte and dark chocolate. The suggested serving temperature is 8-10°C.
