Grappa of Chianti Rufina

Grappa of Chianti Rufina produced from Nipozzano Castle.

## Technical notes

Origin: Nipozzano Castle

Alcohol content: 42%

## Tasting notes

Nipozzano Grappa is clear and transparent. Elegant and intensely aromatic, it distinguishes itself for an excellent balance of softness and warmth that leaves a long and pleasant aroma in the mouth.

**Wine pairing:** Ideal as a digestif, it is a great accompaniment to Panforte and dark chocolate. The suggested serving temperature is 8-10°C.
