

Castello Nipozzano Nipozzano Riserva 1999

Nipozzano Riserva 1999

Chianti Rufina Riserva DOCG

Nipozzano Riserva Chianti Rufina DOCG is one of the historic wines produced at the Castello di Nipozzano. This wine always retains its close relationship with the Castello di Nipozzano terroir.

Climatic trend

The grapes are extremely fruit-forward with evolved tannins and low acids; in general the wines have great structure and should be very long-lived, Weather throughout the growing season was normal, with lots of sunshine in July and only sparse rains in August. An Indian summer in September and October, gave the grapes a perfect environment to bask in the sun and mature
