Nipozzano Riserva 2008

Chianti Rufina Riserva DOCG

Nipozzano Riserva Chianti Rufina DOCG is one of the historic wines produced at the Castello di Nipozzano. This wine always retains its close relationship with the Castello di Nipozzano terroir.

Climatic trend

The 2008 spring will be remembered as the rainiest of the last few decades, with temperatures dipping well below average. Rain and wind in June, right during the bloom period, led to less than optimal fruit set; the clusters showed smaller-sized grapes. In July and August, however, generous sunlight and warm temperatures in Tuscany partially remedied the slow development. The summer months, including September, were sunny and hot, and sufficient reserves of water in the soil helped ensure ideal ripeness levels across all grape varieties. This mild, sunny weather continued through the harvest period; the absence of rain (it rained only one day during harvest) meant that the cellars were able to carry out operations with ease.

Tasting notes

Nipozzano Riserva 2008 greets the eye with a deep purplish red. The nose is remarkably rich and multi-faceted, showing cleanly-delineated aromas of sour cherry, raspberry, and dried plum, lifted in turn by spicier impressions of black pepper, vanilla, cocoa powder, and espresso bean. A warm alcohol complements its smooth overall texture in the mouth, and a clean, vibrant acidity and silky, well-integrated tannins contribute to an impressive elegance. An almost-endless finish, with abundant aromatic fruit, completes a harmonious, well-balanced wine.

Wine pairing: Barbecued meat and beef stews, aged cheeses
