Nipozzano Riserva 2014

Chianti Rufina Riserva DOCG

A historic wine produced at Castello Nipozzano, about 35km northeast of Florence, it is a symbol of Tuscany's wine making traditions due to its complexity and strong ties to its terroir.

Climatic trend

Winter 2014 was characterised by higher than average temperatures and a mild spring that encouraged an early start for the grapevines' budding phase. A particularly mild summer with well-spaced out rains brought the growing season back to its normal progression, while heat waves at the end of July and beginning of August positively affected the grapes veraison. The temperature differences between night and day promoted a gradual ripening of the fruit. The particularly positive weather conditions in September contributed to the production of wine with healthy and excellent quality grapes.

Nipozzano 2014 is a brilliant, clear scarlet red. In the mouth the wine is warm, soft and quite fresh. Nipozzano 2014 is elegant and enveloping, with fine tannins that are well balanced in the wine's structure and a long and persistent finish.
