FRESCOBALDI
TOSCANA

Pater 2021

Sangiovese di Toscana, IGT

A fresh and dynamic wine, a Sangiovese with luminous reflections and an olfactory component, decidedly dominated by fruity sensations, with strawberry and blackberry accompanying a clear and decisive scent of coffee and licorice. Soft and tasty, it has a dry and clean finish.

Climatic trend

The 2021 season will be remembered as a dynamic year. After a rainy and mild winter, which had led to a slight advance of budding, the temperatures dropped sharply at the beginning of April, slightly slowing down the growth of the shoots. From May onwards, temperatures have risen, leading to a summer that will be remembered both for the beautiful day-into-evening excursions and for the long period of intense heat. The grapes were harvested in perfect health, thanks to the mild temperatures and low humidity.

Technical notes

Wine Variety: Sangiovese
Alcohol content: 12.5%
Maturation: 1 month in barriques and steel

Tasting notes

Pater 2021 is a brilliant ruby red wine. On the nose there are interesting fruity and floral notes reminiscent of cherry, plum and some hints of blueberry and, finally, an intoxicating note of violet. The spiciness is also beautiful. The freshness perceived on the palate is interesting and the acid-alcohol balance is surprising. The taste-olfactory correspondence makes it even more pleasant to drink. Long and lingering finish.

Wine pairing: A lively and dynamic wine that blends with simplicity. It goes perfectly with traditional Tuscan dishes: ragù, stewed white meats or grilled meats.
