Pian Di Remole Bianco 2018

Toscana IGT

Pian di Remole is a wine that comes from the Frescobaldi family's long tradition of winemaking: with intense aromas and a remarkable fruity and floral aromatic expression, it is characterized by a pleasant freshness.

Climatic trend

The 2018 season was marked by a rather unusual winter. Mild January temperatures were followed by a brief yet extremely intense cold spell at the end of February. In general, rainfall was abundant. Spring was rather rainy and saw temperatures above average for the season. Between spring and summer, there was an alternation of sun and rain that led to sprouting beginning almost a week early, which then caused a slowdown. This was followed by wonderful flowering in the month of May. Although slightly delayed, the veraison progressed consistently and uniformly with gradual ripening and a mid-September harvest.
