Pian Di Remole Bianco 2019

Toscana IGT

Pian di Rèmole is a wine that comes from the Frescobaldi family's long tradition of winemaking: with intense aromas and a remarkable fruity and floral aromatic expression, it is characterised by a pleasant freshness.

Climatic trend

The 2019 season began with brief yet intense periods of rainfall. Due to the cooler, rainier conditions in May, compared to the previous year, the vines were slower to sprout, though sprouting did begin in line with the plants' natural life cycle. June, on the other hand, was warm, with higher-than-average temperatures. Summer saw significant stormy weather. Veraison began slightly later than usual. When it came time to harvest the grapes, they were in a perfectly healthy state. Harvesting was nonetheless delayed by fifteen days compared to the previous year.

Tasting notes

Pian di Rèmole 2019 is a white with a bright straw-yellow colour. Its bouquet is delicately fruity and floral at the same time with hints of wild flowers, yellow peach, basil and thyme. On the palate, Pian di Remole is fresh and medium-bodied. Its structure comes from its tremendous flavour rather than its alcohol content.

Wine pairing: Pian di Rèmole 2019 is the perfect accompaniment to fish, shellfish, and seafood pasta and rice dishes.
