

Rè mole Pian Di Remole Rosso 2019

Cimatic trend

The 2019 season began with brief yet intense periods of rainfall. The late spring was cooler and rainier than the previous year, which led to a slight slowdown in sprouting. A June with above-average temperatures was followed by a summer with powerful storms and veraison starting slightly late. While harvesting was slightly delayed, the grapes were perfectly healthy.

Organoleptic Notes

Pian di Remole 2019 is characterised by a beautiful purple-red colour with purple reflections. It features an interesting aroma of red berries that blends well with the spicy notes of black pepper and a slight shading of turmeric. On the palate it is fresh, balanced and velvety with delicate fruity notes at the end.

match

This versatile wine is a perfect match for various occasions, from a quick lunch to pre-dinner drinks. It goes perfectly with any type of pasta and is also ideal with cured meats and poultry.
