Pian Di Remole Rosso 2019

Toscana IGT

Pian di Rèmole Rosso is the fruit of the Frescobaldi family's long-standing winemaking tradition. With its red fruit aromas, the wine is characterised by pleasant balance and good persistence in the finish. A period of maturation in wooden containers provides structure and harmony.

Climatic trend

The 2019 season began with brief yet intense periods of rainfall. The late spring was cooler and rainier than the previous year, which led to a slight slowdown in sprouting. A June with above-average temperatures was followed by a summer with powerful storms and veraison starting slightly late. While harvesting was slightly delayed, the grapes were perfectly healthy.

Technical notes

Wine Variety: Mostly Sangiovese with a small percentage of Cabernet Sauvignon

Alcohol content: 12,50%

Maturation: 5 months in steel, a brief stay in wood

Vinification and ageing

Tasting notes

Pian di Rèmole 2019 is characterised by a beautiful purple-red colour with purple reflections. It features an interesting aroma of red berries that blends well with the spicy notes of black pepper and a slight shading of turmeric. On the palate it is fresh, balanced and velvety with delicate fruity notes at the end.

Wine pairing: This versatile wine is a perfect match for various occasions, from a quick lunch to pre-dinner drinks. It goes perfectly with any type of pasta and is also ideal with cured meats and poultry.
