# Pomino Vendemmia Tardiva 2002

Pomino Bianco DOC

An amber colour with subtle shades of orange, full-bodied, velvety and creamy, it combines well with herb cheeses and can also be enjoyed by itself as a meditation wine.

## Climatic trend

The white grapes harvested at Castello di Pomino are of excellent quality . The Chardonnay, Pinot Bianco, and Pinot Grigio from the Pomino Estate arrived in the cellars with a very good level of ripeness, and will produce very fruity and fragrant wines, with great structure.

## Tasting notes

Strikingly deep yellow gold. Richly-layered aromatics reveal honeyed notes over fruit preserve. On the palate is silk-smooth, supple, and dense, with the richly-textured body nicely set off by a crisp acidity.

**Wine pairing:** Enjoy it with blue cheeses, particularly Italy's Gorgonzola, or simply sip it on its own. For the adventuresome, pair it with foie gras.
