

Castello Pomino Pomino 1999

Pomino 1999

Pomino Bianco DOC

This superbly elegant and stylish blend of Chardonnay and Pinot Bianco comes from one of Tuscany's greatest white-wine growing areas, grown in vineyards at elevations as high as 700 metres.

Climatic trend

The growing cycle this spring in Tuscany was standard. Sunshine in July encouraged early maturity of the grapes. Some sparse rain in August helped the vines with the work of maturing the fruit, and gave the plants and leaves the nutrients they needed. All of the different grape types benefited from the light rain during August. Finally, the months of September and October allowed the grapes to bask in sunshine and gave them a healthy and ideal maturing environment.
