Pomino 2006

Pomino Bianco DOC

This superbly elegant and stylish blend of Chardonnay and Pinot Bianco comes from one of Tuscany's greatest white-wine growing areas, grown in vineyards at elevations as high as 700 metres.

Climatic trend

The spring months brought temperate conditions, with little rain and no heat stress; this in turn contributed substantially to sound, healthy fruit. At the end of May there was a sudden drop in temperatures; although it did no damage, the vine growth process was slowed and fruit set affected negatively. The result was looser clusters, with fewer grapes, but the clusters were healthier. July brought high temperatures, but August turned cool, with moderate rainfall, temperature phenomena that ensure, in both red and white grape varieties, excellent concentrations of aromatic compounds, both intense and complex. Light rains during the summer provided the vines with enough moisture to undergo veraison (change of colour) without problem. Sunny, crisp, dry days in September and October were crucial in developing in the grapes all of the qualities necessary for the production of wines of unsurpassed quality and fine structure.

Tasting notes

Pomino Bianco's appearance is immediately appealing, an intense straw yellow shot through with greenish highlights. On the nose the rich floral aromas are surprisingly rich, then other fragrances open up, dried figs, and clean, ripe fruit, particularly pear and crisp apple. Crisp, savoury flavours are absolutely delicious on the palate, and all components seem in perfect balance. The finish is smooth and lengthy.

Wine pairing: As an aperitif, or with vegetarian antipasti, fish steaks or fillets, such as salmon
