Pomino 2017

Pomino Bianco DOC

This superbly elegant and stylish blend of Chardonnay and Pinot Bianco comes from one of Tuscany's greatest white-wine growing areas, grown in vineyards at elevations as high as 700 metres.

Climatic trend

2017 will be remembered as a very dry year, winter and spring saw very little rain at Castello Pomino. With the exception of a crisp January, the temperatures were consistent with seasonal averages. Cold days in January none withstanding, the grapevines awakened early from their winter slumber and the first buds made their appearance in the last third of March. Although the cold (down to 0°C) made its reappearance in April, the buds didn't suffer any damage and began growing rapidly in May leading to the flowering of the buds very early on. The lack of water favoured a healthy ripening of the grapes.. The veraison began at the beginning of August, and the harvest began on August 7, earlier than usual and in line with the rest of the year's advanced timings

When tasted, Pomino Bianco demonstrates a perfect balance of alcoholic content and freshness. The wine has an excellent, persistent finish and a pleasant aromatic aftertaste.

Wine pairing: A fine wine for aperitifs, vegetarian antipasti, or large fish, such as salmon
