Tasting notes

Quaranta Altari 2017 boasts a bright golden colour with amber hues. The bouquet is complex, with aromas ranging from dried fruit to spicy toasted notes, and from hints of sweet honey and maple syrup to tangy citrus fruit. On the palate, it is warm and enveloping. The citrus notes return, with hints of candied orange zest giving it a timeless elegance. Its freshness and sweet taste come together in perfect balance. The finish is long and persistent.

Wine pairing: A sipping wine, Quaranta Altari accompanies dried fruits and desserts with ease. Always serve in alarge, airy glass.
