Quaranta Altari 2020

Vinsanto del Chianti DOC

Vinsanto del Chianti DOC, Trebbiano Toscano and Malvasia Bianca Lunga: it is an end-of-meal wine that pairs well with all Tuscan pastries. It is advisable to serve it in large glasses.

Climatic trend

The season began with a rainy autumn, which allowed good water reserves to collect, followed by a winter characterised by mild temperatures. Even in the spring period, temperatures above seasonal averages were registered. This situation favoured a surprising balance between growth and production. The weather situation in general was particularly favourable and together with the cool nighttime temperatures kept the vines strong and healthy. The grapes arrived at the harvest in perfect health.

Technical notes

Wine Variety: Trebbiano Toscano and Malvasia Bianca Lunga
Alcohol content: 15%
Maturation: 3 years in caratelli (small barrels)

Tasting notes

Quaranta Altari 2020 has a wonderful bright gold colour with amber reflections. The nose is characterised by hints of dried fruit reminiscent of almond and walnunt. The notes of candied fruit and sweet spices are also appealing. On the palate it is pervasive, warm but at the same time pleasingly lively. Nice persistence on the finish.

Wine pairing: A meditation wine, it goes well with dried fruit and sweets. To be served in large glasses.
