Rèmole Bianco 2021

Toscana IGT

Villa di Remole, in the heart of Tuscany, is the cradle of the 700 years of history and tradition of the Frescobaldi family. With its freshness and delicate fruity notes, Remole Bianco makes any moment special. Ideal with starters, fish courses and white meat dishes.

Climatic trend

Overall, 2021 was mild despite some sharp drops in temperature in early April. Thanks to the rainy winter period, the water reserves needed for perfect vine growth were stored. From the end of spring and throughout the summer, temperatures rose again. We will remember the summer of 2021 for its significant changes in temperature from day to night, and for its prolonged drought.
