Rèmole Rosé 2017

Toscana IGT

The Villa di Remole, in the heart of Tuscany, is the cradle of 700 years of Frescobaldi history and tradition. Remole Rosato, a light, crisp, well-fruited rosé, is a terrific aperitif wine, but a versatile accompaniment as well to fish or vegetarian first and main courses.

Climatic trend

2017 will be remembered as a very dry year. With the exception of a crisp January, the temperatures were consistent with seasonal averages. Cold days in January none withstanding, the grapevines awakened early from their winter slumber and the first buds made their appearance in the last third of March. Although the cold made its reappearance in April, the buds didn't suffer any damage and began growing rapidly in May leading to the flowering of the buds. The lack of water favoured a healthy ripening of the grapes. The veraison began at the beginning of August, and the harvest took place at the beginning of September, earlier than usual and in line with the rest of the year's advanced timings.
