Rè mole Rosé 2018

Toscana IGT

Villa di Remole, in the heart of Tuscany, is the cradle of the Frescobaldi family's 700 years of history and tradition. Light and fresh, with pleasant fruity notes, Remole Rosato is versatile, to be enjoyed as an aperitif, and perfect with fish or vegetable dishes.

Climatic trend

2018 was a particularly balanced year characterised by a fresh and rainy spring and a summer with pleasant temperatures that lasted until the end of September. The few rainy days in the summer season favoured healthy vine growth. The veraison of the vines began in early August and, predictably, given the precocity of the entire year, the harvest began in early September. The harvest took place in optimal conditions, allowing for the selection of the most suitable time for harvest for each variety and therefore strongly influencing the quality of the wines, especially the rosé. Remole Rosato maintains all the intrinsic characteristics of Tuscan rosés - freshness, acidity and a splendid pink colour.
