Remole 2014

Toscana IGT

Built in 1300 along the river Arno. Belonging to the forebears of the Frescobaldis, they were important workshops, amongst the biggest in Tuscany, for working and trading wool.

The parish of Rèmole, a mediaeval romanesque structure severe and ancient beauty. Already documented before the year 1000, this ancient Parish is characterised by an unusually simple facade with the Bell Tower in the middle.
