Remole 2016

Toscana IGT

Villa di Remole, in the heart of Tuscany, is the cradle of 700 years of history and tradition of the Frescobaldi family. Remole is an intense wine, soft and fruity, that will captivate and delight you. Particularly suited for full flavoured first courses, charcuterie and red meat.

Climatic trend

The excellent weather conditions in April and May provided for an acceleration of the phenological phases of the plants; a particularly hot July helped with the ripening, which took place gradually thanks to the August rains. August saw a drop in temperatures, which encouraged the plants to divert all the necessary nutrients to the clusters in order to obtain a product of excellent quality from the aromatic and polyphenolic points of view.
