Climatic trend

Summer 2012 was hot and dry but the Ripe al Convento vines were sustained through the growth cycle by healthy levels of water in the schist and clay Galestro sub-soil. The veraison phase – berry colour maturation - took place in optimal conditions and completed fully and evenly. The vines' deep roots enabled a gentle, complete maturation of the grapes, yielding ripe polyphenols perfectly expressive of the aromas and flavours to be found in the finest quality Sangiovese from the CastelGiocondo estate.

Tasting notes

Intense and brilliant ruby red in colour, the wine is complex and intense on the nose: aromatic expression is of alternating notes of red and black fruits, damson and blackcurrant, before giving way to mineral notes of spice and incense. On the palate Ripe al Convento is opulent, enveloping, harmonious and rich with elegant tannins balanced by excellent flavour and acidity. The finish is persistent, lingering and aromatic. (Tasted in December 2017.)

Wine pairing: Stews, slow-cooked meat dishes, and aged cheeses.
